Elijah House

Elijah House is a worldwide ministry whose teaching presents seminars, lectures, workshops, counseling courses and prayer ministry training Across denominational boundaries. Each year thousands of individuals and families experience the powerful healing of Jesus Christ through the Elijah House Counseling Ministry.

Counselors help to restore and heal broken families, and deepen relationships with Jesus, thus bringing healing, hope, love and comfort to the hurt, broken, and wounded.

John and Paula Sandford founded Elijah House In 1974. After pastoring for over 20 years, God called John and Paula to a new ministry- to gather people from various denominations to write, teach, counsel and minister to the Body Of Christ and to restore broken relationships and bring healing to the hurt and wounded.

Purpose of Elijah House Training

To instruct and equip those called in the body of Christ, whether on a lay or professional level, to pray and minister to others with the result of inner healing.

To develop fundamental skills of ministry the ability to operate under the guidance and direction of the Holy Spirit and a thorough understanding of biblical principles and their application in relation to counseling.

To provide a discipleship model for ministry, in which students learn first by observation, then in group prayer, and finally by doing it themselves.

Curriculum
