

YOU HAVE FREED ME FROM MY CHAINS

Psalm 116:16

He HEALS the Brokenhearted and Binds up their WOUNDS  
Psalm 147:3

### INNER HEALING AND DELIVERANCE

The purpose of Inner Healing/Counseling and Deliverance is to receive Healing from your Soul Wounds and find Freedom from any hindrances in your life that would keep you from walking in the fullness of God's purpose and your relationship with Him and others.

Hurts never just go away. Recovery is one small step at a time.

Believe what is True and start making a change.

We cannot Heal by ourselves but with God we can become WHOLE.

The way out of pain is always by going through it, not by Avoiding, Repressing, or Denying.

Your Life is not Hopeless.

There is HOPE and there is HEALING for all who choose it.

God wants to Redeem your Life and give you Peace and Joy.

"For I will RESTORE Health to you, and HEAL you of your Wounds," says the LORD.
